Use of Non-GAAP Measures

Chanticleer Holdings, Inc. prepares its condensed consolidated financial statements in accordance with accounting principles generally accepted in the United States (“GAAP”). In addition to disclosing financial results prepared in accordance with GAAP, the Company discloses information regarding Adjusted EBITDA and Restaurant EBITDA, which differ from the term EBITDA as it is commonly used. In addition to adjusting net income (loss) from continuing operations to exclude taxes, interest, and depreciation and amortization, Adjusted EBITDA also excludes pre-opening and closing costs for our restaurants, non-cash expenses, transaction and severance related expenses, change in fair value of derivative liability and other income and expenses.

In addition, Restaurant EBITDA also excludes management fee income, franchise revenue and general and administrative expenses. Adjusted EBITDA and restaurant EBITDA are not measures of performance defined in accordance with GAAP. However, adjusted EBITDA and restaurant EBITDA are used internally in planning and evaluating the company’s operating performance and by the Company’s creditors. Accordingly, management believes that disclosure of these metrics offers investors, bankers and other stakeholders an additional view of the Company’s operations that, when coupled with the GAAP results, provides a more complete understanding of the Company’s financial results.

Adjusted EBITDA and Restaurant EBITDA should not be considered as alternatives to net loss or to net cash used in operating activities as a measure of operating results or of liquidity. It may not be comparable to similarly titled measures used by other companies, and it excludes financial information that some may consider important in evaluating the company’s performance. A reconciliation of GAAP net income (loss) to Adjusted EBITDA and Restaurant EBITDA is included in the accompanying financial schedules.

For further information, please refer to Chanticleer’s Quarterly Report on Form 10-Q to be filed with the SEC on or about May 15, 2019, available online at www.sec.gov.

ITEM 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On May 10, 2019, the Board of Directors of the Company appointed Frederick L. Glick, age 54, the Company’s current President, to serve as director, expanding the board to eight seats.

Mr. Glick was appointed to serve as President effective November 16, 2018.

There are no arrangements or understandings between the newly appointed director and any other persons pursuant to which he was appointed director. There are no family relationships between the newly appointed director and Chanticleer’s other directors or executive officers. There are no current or proposed transactions in which the newly appointed director has a direct or indirect material interest in which Chanticleer is involved and in which the amount involved exceeds the lesser of \$120,000 or one percent of the average of Chanticleer’s total assets at year-end for the last two completed fiscal years.
